

Sr. Android Developer

@Super [<https://in.linkedin.com/company/mysuperapp>]

Employment Type: Full time

Location: Work from Home

Apply within 30 days

Salary/Stipend: 4-6 LPA

Experience: 3-5 years

Roles & Responsibilities

- Collaborate with cross-functional teams to understand product requirements and translate them into efficient and intuitive Android applications
- Design, develop, test, and maintain high-quality, scalable, and performant Android applications
- Implement user interface designs provided by the UI/UX team, ensuring smooth and visually appealing user experiences
- Optimize app performance, including loading times, memory usage and battery efficiency.
- Integrate external APIs, SDKs, and third-party libraries to enhance app functionality.
- Ensure code quality and maintainability through code reviews, automated testing, and continuous integration practices
- Provide technical guidance and mentorship to junior Android developers when needed

How to Apply

Applicants can email their resumes to jobs@mysuper.in (with Job Title as the subject) or visit careers.mysuper.in or connect on WhatsApp at +91 9624370571
